I have known and respected Jack Christie for many years. His common sense, conservative approach is exactly what we need on the Houston City Council. I enthusiastically endorse his candidacy and implore you to vote for him in the December 12th runoff election. He will serve with distinction and we will know that, in every decision, he will be a voice of reason in finding solutions to city issues in a fiscally responsible way.

Toni Lawrence

Houston City Council Member, District A

Jack is a proven leader who will make us proud. We have a wonderful opportunity to elect another conservative voice to Council, Jack will be an advocate for sound fiscal policy and good governance.

Pam Holm

Houston City Council Member, District G

I am supporting Jack because Houston deserves a better kind of leader. The experience and good judgment Jack has used in solving complex problems by respectfully listening to all parties, building consensus, and making informed decisions are assets City Council needs. Jack has proven himself as a committed, wise, balanced public servant. I am voting for Jack Christie with confidence that Houstonians will be well served.
